NON-BOARD MEMBER PARTICIPATION ON A COMMITTEE:

Non-Board members are encouraged to participate at the committee level. For most committees, it is expected that one space will be reserved for a non-Board member. If you are a non-Board member and would like to join a committee, please email the Chair of the committee where there is a vacancy, or contact a Board member to inform them that you would like to participate. All Director's contact information can be found at the 'Directors' link on the website home page.
