

ONTARIO EXPROPRIATION ASSOCIATION

ONTARIO EXPROPRIATION ASSOCIATION

MEMBERSHIP APPLICATION/RENEWAL FOR JULY 1, 2010-JUNE 30, 2011

The 2010 Individual membership fee is \$85.00 and the Corporate membership fee is \$380.00, both inclusive of HST. If your corporation has more than four members, it is advisable to join under corporate membership since it covers an unlimited number of individuals with your corporation. Addition of individuals can be made to the corporate membership at any time. Please provide a list of the members from the corporation. If members in your corporation are located in different offices, please provide those addresses as well. If payment for membership dues is delivered separate and apart from your membership application/renewal form by your Accounting or Finance Department, it would be appreciated if you could provide me with a copy of the form in advance. Kindly note that credit card payment is NOT accepted.

The membership application/renewal form for 2010-2011 can be found by clicking on the following link: [\[Regan, please put in the link here\]](#)

If you move or if there is any change in your contact information, particularly your email address, it would be appreciated if you could advise me.

The Ontario Expropriation Association Web Page can be found at "www.oea.on.ca". At that page, you will find a current membership list, with e-mail and web page links as provided, newsletters, notices and more. If members wish to be linked from this page, please provide your permission on the membership application/renewal form so that your contact information will be included on the web page. If it is not indicated on the form, we will assume that you wish to do so.

Should you have any questions regarding the above, please do not hesitate to let me know by email, at admin@oea.on.ca or by phone, at (416) 869-3508.
